

Pleasant Hall Volunteer Fire Company

August 8, 2024

!!!For immediate release from Pleasant Hall VFC!!!!

One of the most substantial ways the Pleasant Hall VFC has maintained emergency services is through the annual fund drive and ambulance member subscriptions sent to residents and business owners in our primary response area (Letterkenny Township, Lurgan Township, Orrstown Boro, a portion of Southampton Township around the Orrstown Boro, and a portion of Greene Township). If you receive a solicitation in the mail from another fire company or ambulance service and live in the aforementioned areas they have not been granted authorization from Pleasant Hall Volunteer Fire Company and are not a primary service provider for the areas described. Please continue to support the fire company with the Blue and White Emergency Vehicles located at 9722 Cumberland Highway in Pleasant Hall, PA. You will be receiving our Annual Fund Drive Letter within the next two weeks.

Thank-You for Your Continued Support
Pleasant Hall VFC Board of Directors
